**Legal Business Name:** Vertical Solutions, LLC

**Website:** <https://vshelicopters.com>

Vertical Solutions (VS) Helicopters LLC is a locally owned and operated small business utility helicopter service company in Valdez, Alaska. VSHelicopters is a member of the disaster response registry.

"The team at VSHelicopters played a vital role in supporting my firm's successful execution of a remote project for the USCG, at the Cape Hinchinbrook Lighthouse. The team at VS were responsive, proactive, and performed their duties beyond our expectations and always delivered a service based on strong safety culture and a customer service business model."
